

National Threshers Association - Golf Cart (personal vehicles) Regulations

All Golf carts must be registered for use during the National Threshers Association Reunion. Registration Tags will be issued at the secretary's office and gate F and must be displayed on the steering wheel of all golf carts at the fairgrounds throughout the show. Your Registration Tag is specifically for your golf cart (vehicle) and cannot be used on another golf cart (vehicle). The registration form/fee can be sent with camping and membership fees or registration can be done on site.

Registration Fee: \$20.00 (U.S. funds). Vehicles will be checked by show security. Non-complying cart/vehicle owners may be removed from the grounds.
