

## **75<sup>th</sup> Anniversary – JUNE 27-30, 2019**

Lets get ready to celebrate the oldest organized steam reunion in a big way. Featuring Port Huron Engines, Caterpillar track tractors & Novo gas engines. We are planning a great anniversary show with a historical catalog of past shows as well as several other “special events” and commemorative items.

Our 74<sup>nd</sup> Reunion was a real first, with an unprecedented display of Prairie Tractors, the only known operating Leader Steam Engine and a good variety of Siver King’s. It was a bit wet, but watching a 30-60 Mogul on the sawmill was pretty darn cool. Thanks to all the hard working members we really made the best of it. ***A hearty congratulations to Frank Ott on earning the 2018 John F. Limmer-David Schramm, Best Restored Engine award. An outstanding effort by Frank, Del and Steve Ott.***

***Model display:*** Helps us continue to grow, contact Tom Ball 419-693-6251 or [STB440@aol.com](mailto:STB440@aol.com)

***Flea Market:*** We are starting a new concept in the flea market with an area dedicated to more upscale, antique, industrial arts, farmhouse craft theme. If you know of anyone interested in any flea market space please contact Linda Bogadain at 734-625-1961 , [tkinacres@yahoo.com](mailto:tkinacres@yahoo.com)

***Annual Meeting:*** The NTA Annual membership meeting and elections held at the Fall Appreciation Dinner in October was very productive with right at 200 members in attendance.

***Reminder:*** We no longer have the Thursday night meeting during the show.

We will continue to have a memorial service for past members, Friday morning of the reunion during opening ceremonies. Please let us know of any lost member so we can appropriately acknowledge them. We will also have a service at the Appreciation Dinner.

The 3 significant changes made last year were very helpful to safety and logistics. It will continue to be a priority to enforce these for your safety and enjoyment.

**1. Only handicap carts with handicap operators allowed in the flea market !!!**

**2. NO utility trailers in camping area. All utility trailer parking will be outside the fence.**

**3. No more than two cars/pickups at your camper, parked on your space only.**

***Pre-Reunion potluck:*** Sunday April 14<sup>t</sup>, 2019 @ 12:30. Junior Fair Building, Fulton County Fairgrounds. Posters, Handbills, camping and memberships will be available.
